
Prophetic Keys for a Successful Marriage

Training session by Syed Hamza Miya

Overview

The closest relationship a person will ever experience in their lifetime is with their spouse. One embarks on a new journey (and sometimes into the uncharted territories) with the initiation of a Nikah. Additionally, an ideal marriage is the focal point where higher moral teachings of Islam are manifested. Marriages are common, marriages are everywhere, but the essential requirement is to have a beautiful, loving, caring, happy, *successful marriage based on the Prophetic ideals*. This program is designed to directly hand you over the Prophetic Keys for a successful marriage.

Aim and Objective

This seminar cum workshop by Syed Hamza Miya will *clearly lay out practical steps* to light the spirit of the Prophetic teachings for getting married, and engaging with each other in a manner which is most pleasing to Allah.
